

# RBW-1500

## *Affordable & Profitable Finishing Solutions!*

Royal Sovereign's professional vinyl welding machine is the fast and easy solution for creating vinyl banners. The RBW-1500 welding machine allows one person to create thermal welds on large and small banners, providing a clean finished edge.

### Royal Sovereign Advantages

- Ultra Strong Vinyl Welding
- Safe for Full Bleeds
- Fast and Easy
- Weld Any Length
- One Person Operation

The RBW-1500 is a high quality, affordable thermal welding machine specifically engineered for users to easily and professionally weld vinyl banner material of various weights currently available in the market place. Built for safety and ease of use, this compact machine is perfect for welding, hemming, creating rope pockets and pole pockets, and much more. It has a durable, sturdy frame construction and requires little assembly and minimal maintenance. The included adjustable height stand with castors makes it easy to move around the workshop.

## Vinyl Banner Welding Machine

### Specifications

Model	RBW-1500
Max Welding Width	.6" (15mm)
Max Welding Length	Unlimited
Max Welding Speed	Up to 16.4 ft/min
Max Stock Thickness	.03" (.88 mm)
Max Heating Temperature	662 F (350 C)
Temperature Control	Digital
Feeding Guide	Included
Stand Included	Adjustable (29" - 42")
Welding	Yes
Hemming	Yes
Pole Pockets	Yes
Voltage	110V
Power Consumption	650W
Dimensions (WxDxH)	24 x 15 x 9
Dimensions w/ Stand (WxDxH)	24 x 15 x 45
Unit Weight	106 lbs
Carton Dimensions WxDxH)	82.7 x 23.2 x 16.5
Carton Weight	140 lbs

Digital temperature control ensures the best welding result

Variable Speed Control
